PROFESSIONAL SUMMARY

Motivated and detail-oriented AI & Data Science student with hands-on experience in data analysis, Python, Power BI, web development, and AI-driven solutions. Completed multiple industry-recognized certifications, job simulations, and internships from reputed organizations including IBM, Deloitte, Tata (Forage), Microsoft, and NSDC. Passionate about transforming data into actionable insights and building intelligent applications that solve real-world problems.

EDUCATION

B.Tech in Artificial Intelligence and Data Science <i>Arifa Institute of Technology, Esanoor, Nagapattinam</i>	2023 – 2027
Higher Secondary (Computer Maths) <i>Government Higher Secondary School, Thirupoondi, Nagapattinam</i>	2021 – 2023

INTERSHIP EXPERIENCE

Web Development Intern <i>Maanavan Learning Center LLP</i>	July 2025
- Completed an internship on scalable web development using Django and modern front-end frameworks. - Demonstrated strong dedication, punctuality, and a continuous eagerness to learn industry-relevant technologies.	
Data Science Intern <i>EliteTech Intern</i>	June 2025
Worked on data analysis tasks and applied analytical concepts to practical problem statements with strong performance and learning outcomes.	

COURSES & CERTIFICATIONS

- Microsoft – Power BI Data Modelling Basics**
Completed a foundational course on Power BI data modeling, schema design, and building effective dashboards.
- IBM SkillsBuild – Data Analysis with Python**
Earned certification in data analysis using Python, covering data cleaning, exploratory data analysis, and basic analytical techniques.
- Deloitte (Forage) – Data Analytics Job Simulation**
Completed a virtual job simulation focused on real-world data analytics and forensic technology tasks, developing practical experience in analyzing datasets and interpreting business-driven insights.

TECHNICAL SKILLS

Programming Languages	: Python (Intermediate)
Web Technologies	: HTML, CSS, React.js, JavaScript, Django
Tools / Platforms	: VS Code, Jupyter Notebook, GitHub, Power BI, Tableau, Excel
AI Tools	: ChatGPT, Claude, Emergent,Stitch
Other Tools	: MS Office, Canva, Figma

PROJECTS

- GhatQuest – AI Powered Virtual Travel Assistant**
 - An AI-powered virtual travel assistant that helps users discover tourist destinations, get recommendations, and access real-time travel information.
- Code IQ – Admin Dashboard Creation**
 - Developed a responsive and user-friendly admin dashboard for efficient management of users, courses, and activities.

LANGUAGES

- English
- Tamil
- Arabic (R&W)
